## SUMMARY

---

College graduate from the University of Central Florida. Filmmaker with experience in short film production with strengths in directing, editing, and narrative storytelling. Skilled in Adobe Creative Suite and digital media tools, with a strong understanding of production workflows, crew coordination, and creative problem-solving. Passionate about collaborative filmmaking and ready to contribute to professional sets and post-production environments.

## PROJECTS

### Original Student Short Films (2022–2024)

- Wrote, directed, and edited three short films from concept to completion.
- Managed different aspects of production, including writing, filming, and post-production.
- Collaborated with small crews in fast-paced environments, ensuring creative vision and timely delivery.
- Gained hands-on experience with camera operation, sound recording, and visual storytelling techniques.

## SKILLS

- Experience with film production from development through postproduction.
- Adobe Creative Suite: Premiere Pro, Photoshop, Illustrator
- Production Management: Scheduling, Crew Coordination, Set Logistics
- Digital Media: Visual Design, Content Creation, Basic Coding
- Communication: Team Collaboration, On-Set Leadership, Problem Solving

## • WORK EXPERIENCE
